

Level 3 – Excellence in Safeguarding

Level 3 Safeguarding Training

The Level 3 safeguarding course is also designed to be delivered by a BUGB safeguarding trainer.

The course is designed to be attended by all church leaders including the minister, deacons/trustees, and the designated person for safeguarding.

Level 3 training is designed to follow on from Level 2 and you should attend the Level 2 Course before accessing Level 3.

Level 3 aims to:

- help attendees understand the key safeguarding responsibilities of church leaders
- build confidence in responding to concerns and supporting all those affected by abuse
- provide time to reflect on how your church safeguarding policies and procedures are working
